

Get Into The Spotlight!

The Third Annual Teamstudio® Spotlight Awards

Win Teamstudio Software and an Amazon.com gift certificate!

**Have you created an outstanding Lotus® Notes® application?
We want to know!**

How to Enter

1. Provide a short (500 words or less) summary of what makes your Lotus Notes application truly remarkable. Word limit will be strictly enforced. You must include descriptions of the task(s) your application performs, users, application inputs and outputs, and the application architecture. In addition, you may include up to 10 screenshots, with captions under 25 words each.
2. Entries must be submitted in English and e-mailed to contest@teamstudio.com, as a MS Word .doc file or Adobe .pdf file.
3. Finalists will be selected and asked to demonstrate their applications for the judges via WebEx. Applicants need not use Teamstudio products to enter.

The Judges

Finalists and winners will be chosen by a judging panel of industry-leading experts including Bruce Elgort of Elguji, Joe Litton, Julian Robichaux of SNAPPS and nsf tools, and Craig Schumann of Teamstudio.

Judging Criteria

1. Complexity of task performed
2. Degree of automation
3. Size of user community
4. Business value
5. Creativity and innovation of design

The Prizes

- **First Prize:** Your choice of one configured Teamstudio software product including installation at a single site; the full suite of Teamstudio software tools for Notes/Domino®; and a \$400 gift certificate to Amazon.com!
- **Second Prize:** The full suite of Teamstudio software tools for Notes/Domino!
- **Third Prize:** One Teamstudio software tool of your choice!

All entries must be received by December 11, 2009!
